# INTERNSHIPS & CAREER SERVICES

A full-time staff in the Office of Internships and Career Services assists students as they make the most of the proven three-pronged career preparation approach (classroom instruction, campus media opportunities and career experience) emphasized in the Bellisario College of Communications.

Internships help students to sharpen their professional skills under the critical eye of practitioners, to relate their education to communications professions and to explore their career interests.

Nittany Lion Careers, a University-wide resource, provides access to career counseling, information sessions and professional development — making more than 30,000 employers available to students no matter their campus or major.

## Comm Career Fairs
